VOL. XXXVIII. UPLAND, CALIFORNIA, TUESDAY, FEBRUARY 7, 1933. NO. 79.

COST OF REMOVING P. E. TRACKS FROM EUCLID IS $57,500

Two Railroads Unite in Advising Against Change and Make Suggestion

SURVEY BRINGS LETTER

Upland, Ontario Committees Advised of Costs in Track Removal

Officials of the Pacific Electric and the Santa Fe railroads joined today in advising local residents and city officials that if the Pacific Electric tracks were removed from Euclid and a crossing over the Santa Fe built at Sixth avenue, an expenditure of at at least $57,500 would be involved.

This figure came as the result of a survey made by the two lines following the suggestion from a local committee that the improvement be made. The plan was for the Pacific Electric to remove its tracks from Euclid and re-route its freight cars on the spur track near Fifth avenue and cross the Santa Fe at a point near Sixth avenue.

Officials of the two companies were here several months ago and looked over the proposed plan. Study of costs followed and the letter today revealed the estimate in realizing the improvement.

For the sake of beautifying Euclid avenue, the change was suggested, and in this regard, the companies' letter includes a proposal.

It was suggested that the depression between the tracks be filled in and grass planted and that warning and directional signs on the P. E. right-of-way be replaced by overhanging signs.

L. R. Bradley, recently retiring president of the chamber of commerce, named the local committee which resulted in the visit of the railroad officials. On the local committee were F. W. Palmer, Mayor P. H. McQuillen and R. G. Manley. Ontario had a committee for this purpose including H. M. Shattuck, George Gaylord and Austin Burt.

Two sets of figures were given by the railroads on the cost of removing the tracks and building another crossing. Sum of $57,500 was the lowest figure and $65,400 another figure, involving a little different plan than the other figure.

At present the P. E. track is on Euclid from the P. E. main line and south across the Santa Fe for about 100 feet where it turns east, serving the packing houses in that district.

Mrs. D. O. Craig Dies After Long Illness; Funeral Held Today

Mrs. D. O. Craig, who has been ill for a number of years, died at 2 a.m. Sunday, Feb. 5, at her home, 446 Foothill boulevard, at the age of 77 years.

She was a native of Tyler county, West Virginia, and had lived in Upland for 16 years, coming here from South Dakota.

Mrs. Craig is survived by her husband and a daughter, Mrs. C. B. Boothe, both of Upland; a daughter, Mrs. Bessie E. Carey of Trinidad, Colo., and a son, C. B. Craig, of South Dakota. The son arrived several days ago to be with his mother and the daughter from Colorado reached Upland just a few hours after her mother had passed away.

Mrs. Craig was a member of the First Christian church in Ontario and the pastor, the Rev. Shirley R. Shaw, was the officiating minister when the funeral service was held at 2 o'clock this afternoon at the Stone funeral home chapel. Interment took place in Bellevue cemetery.

Course in Business College Completed by Lillian Clewett

Miss Lillian Clewett, daughter of Mr. and Mrs. H. J. Clewett of San Antonio Heights, graduated last week with the mid-winter class at the Woodbury Business college in Los Angeles, receiving her bachelor of secretarial science degree.

Because of her previous training in Chaffey and also because of her diligent application to her work, Miss Clewett completed the prescribed two years course in one and a half years.

Dancers Will Feature "Belle of Bagdad" Performance

These dancers will be seen as a feature of the "Belle of Bagdad" performance in the Chaffey high school auditorium Friday night. Reading from left to right they are Phyllis Moeller, Dorothy Wight, Martha Lee Edwards, Alice Walters, Gwendolyn Wight and Ida Cerrato.

BELLE OF BAGDAD FRIDAY, SATURDAY

Amplifying Equipment to Insure Perfect Hearing; Costumes Made at Chaffey

One of the busiest spots on Chaffey campus the past week has been the "Belle of Bagdad" workshop. This innovation is the idea of Mrs. Winifred Johnson of Upland and has operated to greatly reduce the costume rental for the show. Under the deft fingers of Mrs. Johnson, all kinds of Oriental costumes in true and authentic design and color have been created from many odds and ends brought in by various members of the cast. In this work Mrs. Johnson consulted numerous references and has produced an array of authentic costumes that would do credit to a regularly organized costume department.

This room, located in the auditorium building, looks like the "Magic Carpet" of the famous old Bagdad days had lighted right down on Chaffey campus. Richard Halliburton and his "Royal Road to Romance" are coming true this week-end when the Belle arrives, and the workshop has done a notable work on the play.

Geoffrey Morgan, writer of the piece, and famous lecturer and humorist, is coming out for the opening night Friday with a party of distinguished guests. Mr. Morgan is delighted over the production of the play at Chaffey and has sent many invaluable suggestions which are being incorporated in the show.

The announcement that the finest amplifying equipment will be installed in the auditorium is good news for the large audience which is sure to attend the performances, as this will insure perfect hearing in all parts of the building.

Admission prices have been placed at a low figure, 25c and 40c, and seats are now selling at Mac's in Upland and Ford Bros. in Ontario.

Method of Delivering Utility Bills Is Under Study by Officials

Interest is being shown by some local people in the effort by police to prevent some of the public utilities from distributing public utilities from enclosing advertising when distributing their monthly bills house to house, rather than through the mails. A local ordinance prohibits merchants from distributing their advertising in this way, and the police have been advised that the utility statements contain advertising.

The matter has been referred to Edward E. Gray, city attorney, who has taken up the matter with the utility's attorney.

Notice to Members Mary Brainard Tent

The recently installed officers of Mary Brainard Tent, Daughters of Union Veterans, are especially desirous of having all members of the tent present at the regular meeting to be held Thursday evening in the Legion club house.

Plans for the work of the tent for the coming year will be made and the officers hope to have the members present and participating in the planning.

VILLAGE GOSSIP

This chamber of commerce of ours, call it that or civic service league, or any name you wish—what would we have done without it during these last two hectic years?

Contrary to the notion of some who do not understand the situation, the chamber is not used to convince eastern multitudes to quit their jobs or sell the farm and emigrate to Upland.

Again, it is not used to inveigle industrial plants to come and bed down with us.

On the contrary, in the past it has served to keep several ill-advised ventures and promotion schemes from moving in on us.

During the last two years it has been the ways and means of handling our local unemployment situation. Without the C. of C. organization, its office, its secretary and well oiled machinery and the devoted unpaid, unselfish service of its corps of public spirited citizens we would have been helpless to handle the situation.

The new board of directors and officers are hard at work endeavoring to find a proper plan for this year. They will spare themselves neither time nor effort to continue the good work, but—they should have the encouragement and financial support of every citizen in the community and every ounce of moral support we can muster.

Cheerfully yours,
The Old Gray Mayor of the Village.

DR. HART LECTURES THURSDAY EVENING

Noted Authority To Discuss Problems of Day at Chaffey —No Admission Fee

With such an authority on present day problems as Dr. Frank C. Hart of the University of California, Berkeley, coming to address the people of the Chaffey district it is expected thejunior college auditorium will be filled Thursday evening to hear him. There will be no admittance charge for this lecture, which is one of the four secured by Chaffey authorities in order to give the people of the community the best thought on present day condtions and problems.

Dr. Hart will speak on "The Price of Complacency". Much of his material was gathered in Chicago, from which city he has only recently returned after being called there as a member of the committee to straighten out the chaotic conditions in the city schools. While working in that capacity Dr. Hart found out some startling facts, which he will relate to his audience Thursday evening.

After Dr. Hart finishes his talk a forum will be conducted by C. E. Grier of Upland and Dr. Hart will be glad to answer questions.

Baseball Managers To Talk Affairs Tonight

Managers of the baseball teams playing in last year's Upland night ball league will unite tonight for a discussion of the 1933 series.

Decision may be reached as to what teams will be entered and discussion may be held as to various rules for the coming season.

UPLANDERS ON LIST OF COUNTY JURORS

Grand Jury and Superior Court Group Includes Names of 27 From Here

Twenty-four Uplanders are likely to be on jury duty in the three county superior courts as the result of the panel being drawn by Judge Ben F. Warmer. Names of three from here have also been selected as prospective members of the 1933 grand jury. The grand juror members will be chosen after the 1932 jury has been discharged. The three Upland names in the list are W. K. Beattie, Paul F. Schowalter and Henry Harms.

Following is the list of persons in this district for superior court jury work, if called:

Upland

Dale Richardson, Ralph Almquist, William Atchley, C. H. Baer, Mark Bailey, A. A. Breakley, H. E. Cassel, George Cathcart, W. C. Cline, Peter A. Guthrie, Kenneth Hanson, Harry Plum, W. C. Reynolds, Roy A. Franklin, V. H. Wilson, C. A. Baeuerlen, George H. Crill, D. J. Burlingame, Earl Tuttle, W. E. Boulton, Mrs. Alma E. Blohm, Mrs. Damie D. Brest, Mrs. Lillian Hawks, Mrs. Verna Mehl.

Alta Loma

J. H. Ashmead, E. R. Hively, Arthur V. Starner.

Cucamonga—Edward S. Allen.

BARR ANALYZES YEAR HIGHLIGHTS

Year Ended With Lowest Prices in History—Upland District White Spot

The meeting of the Upland Rotary club today noon developed into a most interesting open forum before the speaker of the day, Chas. Barr, was given the floor. President J. W. Shepperson propounded questions to various members on present-day topics, from which developed animated and interesting discussions, the problem of taxation being uppermost in the discussion, which also brought in the public schools. Time and space do not permit a complete coverage of the interesting remarks.

Mr. Barr, in his talk on "Financial Highlights of Last Year," enumerated the outstanding developments in world economic affairs, stating among other things that the year ended with the lowest prices on commodities in the history of the country. He stated "this community has no grouch" and if there is a "white spot" anywhere it is the Upland district. Nobody who has invested in Upland citrus loans in the past 10 or 20 years has lost because of that fact. Reason given for this is that all loans have been made on a conservative basis. The local banks have idle money, said he, to place on good loans.

President Shepperson announced that on Tuesday, March 7, the district governor will make the annual visit to this club, the meeting to be held at the regular noon hour.

Mrs. C. S. Nicholson of Claremont, formerly of Upland, underwent an operation for the removal of her tonsils at the San Antonio Community hospital this morning. Her condition is reported to be satisfactory.

FUTURE OF YOUTHS ACTIVITIES WILL BE DECIDED IN DRIVE

Organizations Will Have Teams Soliciting for $2,000 Next Week

MEETING TO BE FRIDAY

All Likely Contributors Will Be Contacted in Effort to Get Funds

Delayed for a week, but in the meantime gaining new vigor and enthusiasm, the annual financial campaign for the boys and girls work in Upland will be started Monday morning. Between now and then teams representing various organizations will be formed and all preliminary arrangements made for a city-wide campaign early next week.

Every person believed interested in supporting the cause will be contacted and at a meeting of the team members and executives in charge of the campaign in the Scout lodge, Third avenue, at 7:30 p.m. Friday night, details will be outlined.

Purpose of the drive is to obtain $2,000 with which to make possible continuance of the fine constructive and varied program and leadership now provided for hundreds of boys and girls in the community. If Uplanders do their part, each one sharing a little, the vast program of Boy Scout work, Girl Scout activities and many allied organizations will be continued. Upland is known for having more boys and girls enrolled in scout work for its population than other communities in the southland. Effect of this influence is reflected in the community spirit. Aim of those in charge is to continue the influence now being given the youths in the scouting program.

Scores of local persons give hours to the work and in this campaign persons are asked to give a little financially so that those who devote their full and part time may be continued.

Of the $2,000 fund, $800 will go toward boys' work and $1,200 to girls' work, according to Owen E. Atwood, general chairman of the campaign. Ontario is expected to raise $3,000, making $5,000 as the total fund sought.

Uplanders will more likely realize more fully the importance of this work among the youths following the observance this week of the twenty-third anniversary of the Boy Scout movement. A court of honor for all the scouts in the Old Baldy council will be held at Chaffey tomorrow night, at which Uplanders will receive awards.

Special events are being planned by each troop for other nights during the week with churches in Upland and Ontario devoting special services in honor of the scout movement.

Sherman Institute Indians will present a special entertainment feature in the ceremony tomorrow. Observance of the anniversary is an annual event and much interest is being shown.

RED HILL GOLFERS PLAY FOR NEW CUP

John D. Howe Gives Award for Members to Strive For —Title Match Soon

Golfers will not be wanting for something to play for now at the Red Hill Country club.

John D. Howe is back of a tournament to be started soon, with a trophy going to the winner, play to be a handicap affair. Winner of the trophy for two consecutive years will get it permanently.

Announcement has just been made of the award and the contest. Qualifying rounds are expected to be under way soon.

In the meantime, however, there is a tournament under way, for which a champion will be named soon. The annual club championship is to be decided in a match between Dr. F. M. Taylor and Veeder C South, these two probably getting together Sunday.

Dr. Taylor defeated James Pittenger Sunday to win the right to play South for the final honors.

Uplanders Star In Symphony Concert

Uplanders and other musicians in the Chaffey district played important roles in the presentation of the scenes from "Red Cloud," composed by S. Earle Blakeslee, by the Valley Symphony orchestra and assisting stars in Pomona last night. Many from here were in attendance.

Archie L. Moore and Frederic Trunkfield of Upland were the soloists, with Francis Wilson, Ted MacLaren and William Seguin of Upland, members of the chorus. Upland members of the orchestra are Mrs. Beth Townsend, Harry Woltman and Curtis Williams.

The program attracted the largest audience of the season and much interest was shown here due to the fact that "Red Cloud" was given at Chaffey several years ago as an Indian opera. Mr. Blakeslee directed the program last night, following the opening selections by the orchestra.

Mr. Moore was outstanding in the vocal selections, singing "Oft Have I Heard," "Sons of Heyoka" and "I Remember." Mr. Trunkfield sang solo selections for the chorus numbers.

DEATH TAKES AWAY HUGH H. FRANKISH

Ill for Several Years, Native Ontarion Found Dead in Automobile

Known by many in the Chaffey district, a native son of Ontario, and a member of a family long connected with the development of the citrus empire, Hugh H. Frankish was found dead in his automobile at Palmetto avenue and Francis street early yesterday morning.

In ill health for several years, Mr. Frankish had sought relief and indications point to a bottle of poison as being his way of finding the end to his burdens. He was 43 years of age.

His family had been connected with Upland in many phases of activity and his son, Jack Frankish, a Chaffey high graduate and now a scholarship student at U. S. C., is known to many, and his daughter, Ruth Mary Frankish, was at one time a student in the Colony school here.

Besides these, Mr. Frankish is survived by his widow, Mrs. Corine Frankish; a brother, Leonard Frankish, newspaper man, and a sister, Mrs. Evelyn Stroh.

Funeral services will be held at the J. B. Draper & Co. mortuary at 10 a.m. tomorrow, with Rev. C. O. Kimball, Methodist minister, in charge.

That his body would be near the Frankish home and other facts were the messages contained in notes left for Mrs. Frankish. A search began and the family automobile and the limp form of the man were found. Near the machine was an empty bottle, reported to have contained the poison.

PUBLIC HEARING ON ZONE LAW FEB. 28

Interested Persons Given Opportunity to Protest New Measures

On Feb. 28 the first public hearing on Upland's proposed zoning ordinance will be held in the Upland junior high school and this is likely to bring together many citizens.

After months of study, the ordinance is being offered to the people as a measure that will guide the future growth of the city. The ordinance will specify where there may be located business projects, residences, manufacturing and agricultural pursuits.

W. K. Beattie, chairman of the commission, will preside at the session, explain the measure to the public and join with other commission members in answering questions.

About the middle of March another public hearing will be held to enable further public discussion and suggestions. If the commission so desires then, the measure will be sent to the city council for further official study and another public hearing.

Annual Meeting of Water Group Feb. 27

With the annual meeting of the San Antonio Water Co. coming on Feb. 27, the season for annual meetings will close and local citrus growers will learn soon as to their water costs and regulations for the 1933 season.

Election of directors and officers is looked upon as the principal business to come before the stockholders as there is no proposal or change in by-laws to be presented by the directors, as far as is known now.

A year ago the water group changed the system of water charges, adopting the "pay as you use" plan, rather than the assessment plan. A report will be made on this plan, which is reported to have met with popular approval among the users.

Soon after the election of officers by the directors, the 1933 water rates will be fixed. Amount of rainfall will be a factor in determining the rate, more rain, lower may be the rate.

All other water companies in the district have had their annual meetings and the San tonio group session will place all growers in a position for the year's activity.

ST. MARK'S HOST TO FELLOWSHIP

Young People of Chapters in District Hold Interesting Session Here

On Sunday last the Young People's Fellowship of St. Mark's parish were hosts to the chapters of Riverside, San Bernardino and other parishes.

The visitors arrived in time for the regular morning service, at which the rector celebrated the Holy Communion and the Rev. Robert Griesser of Claremont delivered the sermon on the two words, "Jesus Christ."

After service, dinner was provided in the parish house for all the visitors by members of the Guild and Auxiliary, and about 60 visitors were present.

During the afternoon Reginald Bridge and Miss Elizabeth Young were in charge of the meeting and very interesting and instructive addresses were made by the Rev. Bertrand Warren of Pomona; Rev. Henry Clark Smith, Riverside, and Rev. James L. Patton of San Bernardino.

At 5 o'clock a vesper service was held in the church with a short address by the rector, Dr. Foster, and on returning to the parish house the visitors found tea ready for them.

The sessions closed with the election and installation of the new district officers.

The visitors expressed by vote their sincere appreciation of the hospitality extended and the local chapter voiced their gratitude to the ladies whose labor and generosity made the day possible.

The day closed at 7 p.m.

Past Exalted Rulers To Preside Thursday in Elks' Nominations

It will be "past exalted rulers' night" at the Ontario-Upland Elks lodge Thursday night when officers for the next year are nominated. Persons who have served the lodge in the highest executive position will be in charge, with Glenn M. Atwood, presiding as exalted ruler. Ed Lowe will be esteemed leading knight; Chester T. Johns, esteemed loyal knight; Guy Billington, esteemed lecturing knight, and Carl Hayes, esquire.

John Galvin is at present the leading knight and a successor will be nominated for his and the other positions in the lodge.

Chaffey Board Will Study Legislation

With the state legislature likely to make changes in the laws affecting revenue for the Chaffey district, members of the Chaffey board of education will discuss pending legislation at its meeting tonight. Assemblyman and Mrs. Hobart R. Alter will be guests of the board and Mr. Alter will give in detail some of the educational matters before the legislators.

The Chaffey district is operating on a very low budget and any change in the financial arrangements would be disastrous to the district, it is reported.

EMERGENCY ZONING LAW MAY BE VOTED TO PROTECT EUCLID

Council Meets in Adjourned Session Tomorrow for Added Protection

GAS STATION BAN OBJECT

Godfrey Andreas Declares Himself for Business on Strong Property

Designed as an additional protection against encroachment of business on Euclid avenue property, an emergency zoning ordinance covering the territory at Euclid avenue and Foothill boulevard will be up for a final vote at an adjourned meeting of the city council tomorrow.

First reading of the measure was given at last Thursday's council meeting, with the adjourned session set for tomorrow. The measure was prepared and passed on first reading with the aim of it being adopted prior to any action being taken in connection with the erection of a service station at Euclid and Foothill.

Up until now the council has been apparently of one mind—that no business should be permitted at that point. Today, however, Councilman Godfrey Andreas declared that he was going to vote against the ordinance and that it was his belief a service station should be permitted.

W. A. Strong has announced his hope of getting permission to erect a service station at the southeast corner of Euclid and Foothill. The city council turned his request to the city planning commission, which has given tentative approval of a city-wide zoning proposal.

The city already has a zoning law, passed 10 years ago. The present council, however, wanted to be additionaly fortified in case the old zoning law might be declared illegal and so the emergency zoning measure was created.

If it is approved tomorrow, the measure will become law on adoption.

Upland Costumers Preparing Unique Pageant of Songs

A program of delightful fantasy, planned and directed by Mrs. W. J. McCloskey and Mrs. J. L. Grahame, will be given on Feb. 17 in the Ontario junior high school auditorium by the Cheerful Givers circle of the First Methodist church in Ontario.

A pageant of song, illustrated by living pictures, has been arranged by Mrs. McCloskey and she and Mrs. Grahame are designing and making the gorgeous costumes and directing the cast.

The living pictures, posed by richly costumed characters, will appear in a real picture frame six feet high, and will illustrate beautiful songs, solos, duets and quartets, sung by some of the best west end talent.

The first part of the pageant will be devoted to lovely old songs of the yesteryears and the second part will present the modern favorites.

During an intermission Miss Dorothy Williams will present a number of her pupils in 20 minutes of fascinating dancing.

The colorful costuming now being prepared by Mrs. McCloskey and Mrs. Graham promises to be one of the features of the program.

Legion Auxiliary in Drive for Members; Dinner Is Planned

A special American Legion Auxiliary membership drive is in progress this week throughout California and Mrs. W. J. Larkin, president of the Upland unit, and her membership chairman, Mrs. Clara Jacobs, are making every effort to secure for the local unit the number of new members required in the drive.

At the regular meeting of the unit last week, each member attending was given certain work to do in the drive and on next Friday night a contributed dinner will be served at the Legion club house and reports on the progress of the drive will be made.

Are They Unfair—Or Don't They Know?

Every now and then it is interesting to note the comment of eastern newspapers on California climate. And to Californians—especially those of us who have lived in the middle west or east—it is cause for wonder as to whether these commentators simply want to be unfair or if they simply do not know what they are talking about.

Anyhow, two comments of wide difference are of interest—one because it comes from a source which knows what it is talking about; and the other from a source, as stated above, which either don't know actual climatic conditions here or is unfair in the matter.

The Van Nuys Tribune recently said: "Oscar Lawler has a mountain home in the San Jacinto mountains and during a recent snow storm Mr. and Mrs. Ben Irwin and a Mrs. Turley found themselves snowbound in the Lawter cabin. A road was broken through the snow by a county crew and the trio were brought out on toboggans, a drop of 6,000 feet in six miles. And only about 100 miles from bathers taking a sun bath on the beach. That's California."

The Van Nuys paper knows Southern California is a section of extreme temperatures in winter. It also knows that while bathers were taking sun baths on the beaches 100 miles away, that at the foot of that 6000 feet elevation—only a very few miles from that height—it was also possible to take sun baths at the same time there was snow and cold half way to the summit of that mountain. It's simply a matter of choice in Southern California—if people want the sunshine, there are very few days during the year they do not have it, and if our residents do not care to go where it is cold they never have to. This matter of choice is one of the great attractions of this country.

In the following we quote a portion of an editorial in a recent issue of the Phoenix, Ariz., Gazette:

"Sometimees a few Arizonans may be inclined to resent the course pursued by California in regard to Hoover dam. But any such feeling is forgotten in the wave of sympathy which sweeps over Arizonans when they think of the sufferings Southern Californians have to endure with the terrible weather that obtains in that section.

"An Associated Press dispatch says that the toll of death and property losses in the recent storms were about equal in California and Minnesota. Minnesota is one of the most northern of the states. From the A. P. account it is evident that Minnesota and Southern California winters are about the same."

The Arizona editor then prints an extract from a news dispatch telling of damage done by the recent wind in this section. Perhaps the Arizona editor does not know this wind storm was the worst that has visited this section in many years—in fact, one of very few where damage to any great extent was done. It may be possible the Arizona editor does not know that cold exists only at extreme mountain heights in Southern California. In which case it is remarkable how one so near can be so ignorant about the true conditions. He should also know, as should everybody else in the country, that it is a matter of choice as to whether Southern Californians go to these extreme heights when they know a storm is raging there and when extreme cold prevails. During such times as these, warnings are continually given to stay out of the mountains and not take the chances on the inconvenience, suffering and possible death under such conditions. Yet there are thousands who will pay no attention to such warnings and some pay the consequences of their foolishness.

Yet these high altitudes, with their snow and ice, make possible a program of winter sports unsurpassed anywhere in the world—within less than an hour's drive from summer sunshine in winter. The Arizona paper would apparently have people believe that throughout California as a whole the same winter conditions prevail as in Minnesota. Undoubtedly he knows better than this. Treacherous winter conditions prevail a considerable portion of the winter in the mountain heights, as already stated, during storm periods, yet under normal conditions they draw many thousands who get greater joy out of winter sports than do people in sections where they can't get away from winter, but "have to take it whether they like it or not."

—o—

And here's what a Washington correspondent has to say about things at the national capital: The whole atmosphere in Washington these days seems surcharged with uncertainty and doubt. Nobody seems to know just where he is going nor which way he is headed. President Hoover has lost about all of his influence and Roosevelt does not seem to exert any leadership; the senate is snapping and snarling and fighting with itself, and the house isn't doing a whole lot better, and neither are getting anywhere. Twenty-seven thousand people in town are objects of charity tonight, Republican office holders are shaking with fear over losing their jobs and, knowing there are a dozen applicants for each job, the Democrats are shaking with fear because they are afraid they won't be appointed. While the country is in deep trouble and assumes to be a Christian nation, yet I never hear God referred to as a helper outside of church, and not as often there as if I went more. But just the same I read my Bible every morning and I know things will come out all right.

—o—

Some of the legislators who are apparently working for themselves or some special interests had better begin looking after the interests of the people or they may have the experience of this little boy: Mule in barnyard, lazy and sick. Boy with a pin on the end of a stick. Boy jabbed the mule—mule gave a lurch. Services Monday at the M. E. church.

—o—

"Well, it appears that the folks who were afraid President-Eleect Roosevelt would do something radical were right. He says he will keep every campaign pledge," says the Ventura Star. We can see nothing radical in such a statement by the president-elect—that's what they all promise. However, it will be something radically different if he actually does "keep every pledge."

—o—

We read that "publicity is filtering through of Chicago's Century of Progress which opens the first of this coming June." Judging from what we read in the news dispatches, the gangsters should be able to show the greatest progress of any Chicago enterprise.

—o—

Here's another scientist who tells us that "matter gathers weight as it travels." Especially if it happens to be a matter of scandal.

—o—

And don't we sympathize with poor old Japan because of the way she is being oppressed by China? Oh, yeah!

Notes of Society

Wesleyan Class Has Enjoyable Meeting

A diversified program of inspirational talks, work and social entertainment was enjoyed Friday by 40 members of the Wesleyan Bible class of the Methodist church when they met in Fellowship hall.

The meeting was opened with the serving of an excellent contributed dish luncheon, the hostesses in charge being Mrs. J. B. Ford, Mrs. Kittie Toerpe, Mrs. A. C. Hall and Mrs. Stacy Haines.

A short devotional service was conducted by Mrs. Joshua Bacon, who made an inspiring talk on the responsibilities and privileges for service afforded by the present stringent times.

The class president, Mrs. C. D. Daniels, conducted the meeting and as a pleasant bit of entertainment held a social hour during which she presented valentines to each one present. Mrs. Daniels also conducted a guessing contest, the prize for the winner being a large bouquet of lovely sweet peas. An abundance of sweet peas also were used in the decorations.

During the afternoon Mrs. W. F. Goodban, the class teacher, spoke interestingly of the present day problems. She particularly stressed the necessity for everyone to make special effort to keep well informed on political, social and economic conditions in order to intelligently exercise the privileges and responsibilities of their franchise.

While the women listened to the talks and took part in the proceedings, they also were busy sewing on quilt blocks for welfare distribution.

* * *

Friends Entertained by Mrs. Olson

Mrs. Ernest Olson was hostess at a recent meeting of her bridge club, when she entertained the members at her home, 280 Eighth avenue.

A contributed luncheon was served at the noon hour and was followed by an afternoon of bridge, the playing being interspersed with animated conversation.

At the conclusion of the games, score prizes were awarded, Mrs. Elmer Covey winning first and Mrs. Arthur Allen taking consolation.

Sharing in the pleasures of the afternoon with Mrs. Olson were Mrs. Covey, Mrs. Allen, Mrs. Claude McKee, Mrs. Russell Dinger, Mrs. Henry Anderson, Mrs. Howard Paulin, Mrs. Vernon V. Paine, Mrs. Fred Rickel, Miss Margaret Brest, Miss Dorothy Miller and Mrs. Clifford Jellison.

* * *

Coterie Club Guests in Springer Home

Beginning the party with an enjoyable luncheon, Mrs. William Springer was hostess Friday to members of the Coterie club at her home, 777 Euclid avenue.

Following the luncheon, which provided a merry hour, the afternoon was devoted to the pleasant occupation of bridge playing, high score prize being won by Mrs. Eva Alford and consolation going to Mrs. G. A. Brest.

Mrs. T. M. Nichols will entertain at the next meeting of the club.

Attending Mrs. Springer's party were Mrs. G. A. Brest, Mrs. Eva Alford, Mrs. H. O. Blohm, Mrs. Perry O. Long, Mrs. W. C. Cline, Mrs. Isabelle Wisely, Mrs. T. M. Nichols and Mrs. C. K. Francisco.

* * *

Business Women Will Hold Party Tonight

Members of the Upland Business and Professional Women's club are meeting tonight in the home of Mrs. C. Ernest Olson, 280 Eighth avenue, for the bi-monthly social evening and program.

This is an important meeting for the club women, since the program is to include a comprehensive review of the history of business women's clubs, and of their aims. There also will be important reports of the recent Southern district board meeting in Santa Ana, the first since the state amalgamation.

A merry social hour also is being anticipated by the members who will attend the meeting.

* * *

Members La Estrella Auxiliary To Meet

Meeting in the Upland Inn Wednesday, with Mrs. Wm. S. Avery as hostess, members of La Estrella auxiliary, Order of the Eastern Star, will hold their regular monthly meeting.

At the noon hour a contributed dish luncheon will be served and during the afternoon quilt blocks will be pieced and other welfare sewing done.

A very enjoyable meeting is anticipated and a large attendance of the membership is expected.

Miss Lucille James Becomes Bride of Geo. E. Smallwood

A wedding in which many friends of the couple will be interested occurred Friday, when Miss Lucille Marietta James and George Edward Smallwood, both of Upland and both prominent Chaffey graduates, were united in marriage, the ceremony occurring at the home of the Rev. and Mrs. Hirschel R. Griffin, 224 Harvard place, Ontario, and the Rev. Mr. Griffin, pastor of the First Baptist church, beeing the officiating minister.

The ceremony was a very quiet affair, the couple being unattended and only the necessary witnesses being present. The pretty bride wore a handsome costume of gray silk crepe with blue trimming and hat and other accessories harmonizing. Her flowers were a corsage of spring violets.

For a number of years the bride has made her home with her grandparents, Mr. and Mrs. L. W. Wimberly, and for the past three years has lived with them in Upland on West Arrow highway. She graduated from Chaffey high school in the class of '32 and is popular with a large number of friends among the students and in church and social circles.

Mr. Smallwood, the son of Mr. and Mrs. B. S. Smallwood of San Antonio Heights, has spent the greater part of his life in Upland, attending the schools here and graduating from Chaffey high school in 1928 and from Chaffey junior college in 1931. He majored in both agriculture and journalism and already has done considerable work in both lines. He has won distinction as a poultry fancier and was prominently identified with the Chaffey agricultural fair during his school years. In his journalistic work he was sports editor for the Chaffey papers and for the 1931 Argus. He also has done some sports writing for The Upland News.

Mr. and Mrs. Smallwood are residing temporarily at 241 Laurel avenue. Later they expect to move to their lemon ranch at La Habra, where they will engage in citrus and poultry raising with the senior Mr. and Mrs. Smallwood, who also are planning to move to their citrus ranch at La Habra.

Upland Woman's Club Plans for Several Coming Affairs

Mrs. Mark F. Jones, state motion picture chairman for the California Federation of Women's clubs, and the wife of a prominent attorney in Los Angeles, will address the members of the Upland Woman's club at the luncheon session to be held next Tuesday, Feb. 14, at the club house.

Mrs. Jones, an exceptionally interesting speaker, will discuss "Motion Pictures," and another well-known club woman, Mrs. George H. Bunnell, of Redlands, Southern district chairman of international relations, will discuss questions of vital importance to all American citizens.

The entertainment feature of the program will be provided by Mrs. Frances Wagner, pianist, of Alta Loma.

The executive board of the club held its regular business meeting for the month Monday morning, with Mrs. Herman Hess, vice-president, presiding in the absence of the president, Mrs. Nora M. Eells, whose mother again is seriously ill after a recent slight improvement.

In addition to the routine club business, the board received a new member, Mrs. Louis Weber, this making 21 new members taken in during this club year. The board also discussed several events to take place this month, including the luncheon on Feb. 14.

A guest-night dinner, at which the attendance will include the club members, their families and friends, will be held on Thursday night, Feb. 16. A turkey dinner will be served.

There will be a program of entertainment, Mrs. D. C. Perry and her chorus from the music section of the club, providing the music, and Miss Marian Henderson presenting her dancing pupils in a group of numbers. Reservations for the dinner, at a charge of 65 cents, should be made with Mrs. R. C. Norton or Mrs. R. V. Ward.

The Arts and Crafts section will meet at 10 o'clock Tuesday morning, Feb. 28, with a contributed luncheon at noon.

In the afternoon of that day the club program will be presented, Mrs. Virginia Cole Pritchard giving another of her interesting book reviews.

The Music section, Mrs. D. C. Perry leader, is meeting each Tuesday morning at 10 o'clock for practice.

Babe Ruth has earned $785,900 in salary since he started in baseball in 1914.

Meeting Enjoyed by West-End Nurses

The February meeting of the West-End Nurses club, held last evening at the home of Mrs. Lee Wire on Laurel avenue, was a real party with but a short time being devoted to business. Miss Mae Newquist, the new president, presided during the business meeting.

With routine matters out of the way, the club members proceeded to enjoy a merry evening of entertainment, including Japanese dances by Sara Jean Mehl and clog dancing by Helen Taylor. A number of amusing contests added to the enjoyment of the evening, which was concluded with the serving of dainty Valentine refreshments.

Attending the meeting were Mrs. Harriet L. Fleming, Mrs. Barnhard, Miss Mildred Ripp, Mrs. Mary Sullivan, Mrs. Bertha Lichti, Mrs. Mary Hall, Mrs. Addis, Miss Nettie Stutzman, Miss Amelia Seyb, Miss Helen Nance, Mrs. R. M. Kreckner, Miss Mabel Jensen, Miss Elizabeth Bell, Miss Cornelia Merry, Mrs. C. S. Lehman, Miss Mae Newquist and Mrs. Lee Wire.

P. E. O. Luncheon and Program Enjoyed

Two interesting discussions on Hindu religion were enjoyed Monday afternoon when members of chapter DV, P. E. O.. gathered at the home of Mrs. G. E. McQuatters, 646 East I street, Ontario, for a luncheon and program.

A paper on "Brahaminism in India Today" was read by Mrs. Earl E. Hawthorne, and Mrs. McQuatters gave a review of the Dhan Murkerji's book, "Caste and the Outcaste."

Co-hostesses with Mrs. McQuatters were Mrs. Eva Alford and Mrs. Geo. H. Crill.

* * *

St. Mark's guild is planning a silver tea and musical to be held on Wednesday, Feb. 15, at the home of Mrs. W. H. Black, on upper Euclid avenue. The hours will be from 3 to 5 p. m.

The affair is a benefit for the guild treasury and the public is cordially invited to attend.

Eighteenth Street P.-T. A. Has Program for Founders Day

Annual Founder day was observed by the Eighteenth street P.-T. A. in an interesting program presented during a meeting held last evening in the school auditorium, with the members, their families and friends attending.

The meeting was opened in the usual order by the president, Mrs. H. B. Hamilton, the flag salute being followed by devotionals led by the Rev. Alfred Wiebe, a member of the Men's auxiliary of the P.-T. A. The P.-T. A. song and the report of the secretary and treasurer completed the regular routine and Mrs. Ralph J. Wilson, program chairman, took charge of the Founders day program.

A short history of the P.-T. A. movement and the story of its founding was given by Mrs. Harry Phelps in the absence of Mrs. J. I. Countryman, who was ill.

An interesting pageant, "The Oracle Speaks", was presented by five characters, Mrs. Earl E. Marsh taking the part of the oracle and four school children representing the home, the school, the church and the state.

Realizing much merriment as well as a nice sum of money, Mrs. Hamilton, as auctioneer, held a Dutch auction of a handsome birthday cake contributed by Mrs. Wilson. Half of the auction proceeds will go to the Foundation fund and half to the local P.-T. A.

AUXILIARY SEWING ACTIVITIES TOLD

Mrs. Gust Anderson Announces Work Is Continuing for Welfare

In speaking yesterday of the activities of the Welfare Auxiliary, which has done such splendid work during the past year in repairing and remodeling old garments and making up new material, Mrs. Gust Anderson, who with Mrs. W. F. Palmer, originated the plan, made the following statement.

"For the benefit of those who may have forgotten, we want to announce that the Welfare Auxiliary still sews every Friday in the sewing room in the library basement.

"A new element has been added to our sewing group. A large number of Mexican women and girls are enthusiastic workers, which is of mutual benefit.

"Bedding has been in great demand all winter and many of the community residents have helped generously to supply the demand. Mr. and Mrs. V. H. Wilson may know that about nine beds are made comfortable because of comforters we have made out of lovely wool samples they donated for that purpose. Mr. and Mrs. Wm. S. Avery came to the rescue with nine used comforters. Mr. and Mrs. W. F. Booth gave six lovely blankets and the Frances Paul Girls made and donated a number of fine comforters to be given where needed—regardless of creed or color.

"Many other individuals and clubs have done likewise, and still we are making quilts, on some Fridays as many as seven being made. All of these splendid helpers should be thanked individually, but at present we can only thank them collectively.

"Just now all warm clothing and baby things are being distributed as rapidly as made and received. Out of the bountiful supply of clothing collected by the American Legion some time ago, the more summery things are held in reserve, as also are some new Red Cross garments, for spring distribution.

"We have an urgent call for a mattress for a girl, who has a bedstead but no mattress, and she is very anxious to complete her bed."

MAN'S HEART STOPPED, STOMACH GAS CAUSE

W. L. Adams was bloated so with gas that his heart often missed beats after eating. Adlerika rid him of all gas, and now he eats anything and feels fine.—Upland Pharmacy.

S. E. Beck Dies at Home in Alta Loma, Funeral Wednesday

As the result of complications developing from injuries suffered in an automobile accident two years ago, Shirl E. Beck, well-known rancher and well driller of Alta Loma, died Sunday at his home on Amethyst avenue. He had lived in Alta Loma about six years, coming there from San Bernardino, where he had resided for a number of years.

Mr. Beck was a native of Clarion, Iowa, and was 53 years old. The family came to California 46 years ago and made their home in Los Angeles for some years. Mr. Beck is survived by his parents, Mr. and Mrs. David A. Beck; a son, Sherwood Grant Beck, and a brother, Wm. T. Beck, all of Alta Loma.

He was affiliated with the Masonic and the Elks lodges and the Elks will have charge of the commitment services.

Funeral service will be held at 2 p. m., Wednesday at the Draper chapel in Ontario, with Dr. Bert Foster, rector of St. Mark's Episcopal church in Upland, officiating. Interment will take place in Bellevue cemetery.

The oldest known will was written on papyrus, B. C. 2550, by a priest in Egypt.

Shoes half soled; water proof soles, 25c to 50c. Outwear leather. Fetrow's Service station, 256 Arrow highway. 78-2*

Fred Hermes is confined to the San Antonio Community hospital, suffering a severe cold, with the glands of the neck being affected.

Byron Lathrop. nephew of Mrs. Alice Erixon, came up from Los Angeles and spent the week-end with his aunt at her home, 759 East Ninth street.

Notice is hereby given that I will not be responsible for any debts contracted by my wife, Mrs. Betty Solter, after this date, Jan. 30, 1933.—Hugh Solter. 77-3*

Miss Grace Giffen, who is teaching school in Reedley, was a week-end guest of her uncle and aunt, Mr. and Mrs. William Morley, at their home on First avenue.

Mrs. Cless D. Grier was able to be down town for a time yesterday, this being the first time she has been out since submitting to an operation for appendicitis three weeks ago.

Expert radio service now at new low prices. We have most completely equipped radio repair laboratory in the West End. New low prices on tubes.—Colborn Electric Co. Phone 191. 79-1

Mr. and Mrs. H. E. Parminter and Elizabeth and Eldon, of Long Beach, were guests Sunday of Mrs. Parminter's parents, Mr. and Mrs. J. A. Burton. The visitors came up at this time in order to enjoy the snow sports at Camp Baldy. They were accompanied to the resort by Mrs. Burton.

I wish to announce to my friends that beginning next Monday I will be at the Hartzog barber shop on Second avenue to serve the public. For the past four years I have been employed at the Kirkwood barber shop and will appreciate your business in my new location, where I hope to meet all my old patrons and many new ones, assuring all the same careful and courteous service I have always endeavored to render.—Frank "Speedy" Jones. 77-2

J. B. Leaman will be in Los Angeles tomorrow with a representative of the Byron-Jackson Pump Co., considering a new pump for the Canyon Ridge Water Corporation.

Mrs. Mary Phelps of San Antonio Heights is spending this week with Mr. and Mrs. D. A. Cunning, brother-in-law and sister of Mrs. Harry Phelps, at their home in Corona.

Mrs. J. S. Gundy is reported to be seriously ill at her home, 129 East Eighth street. Suffering an attack more than a week ago, she is showing little improvement, but relatives and friends are hopeful of a change for the better.

Going up to Santa Barbara Sunday evening, Miss Cornelia Born, of East Arrow highway, is spending this week with her sister, Miss Christina Born, a student in the Santa Barbara State Teachers college. Miss Born expects to return home next week-end.

Mrs. W. A. Eastlack returned Sunday night from a visit with relatives in Van Nuys and with her son and daughter-in-law in Los Angeles, where she had the pleasure of seeing her granddaughter, Isabelle Eastlack, graduate from the junior high school.

Guests at the J. B. Leaman home Sunday were Mr. and Mrs. Charles Foster and daughter, Marjorie, of Riverside, and Mr. and Mrs. Frank Coppo of Mira Loma, the women being daughters of the local family. Mrs. Leaman, who is recovering from an illness, has improved sufficiently to greatly enjoy a motor ride to Long Beach, which she took Saturday.

Mrs. Portia L. Riley and her daughter, Portia Riley, of Los Angeles, made a pleasant visit to Upland on Sunday with old friends and neighbors and while they were lunching at the "Fountain of Youth" Mac learned that Dr. Spurgeon B. Riley, deceased husband and father of the ladies, built the residence at 15th street and Euclid avenue in 1908. They are still interested in Upland and spoke in complimentary terms of their old neighbor, Chas. E. Harwood, and others and wished to be remembered to their friends. They are now living at 200 North Rampart Blvd., Los Angeles, and Miss Riley is teaching in one of that city's high schools.

J. F. Monroe, who has been ill for a number of days, is able to be up part of the time, but is still very weak.

Miss Betty Townsend, Chaffey student, returned to school this week after a two weeks absence because of illness.

Local folks are appreciating the low prices and superior qualities of Philco radios.—J. H. Siegrist, 243 E. Ninth St., Phone Upland 1112. 79-1

Miss Betty Born, of East Arrow highway, and Mrs. John Ollila and her daughter, Miss Ruth Ollila, of Ontario, motored to Los Angeles Sunday afternoon for a brief visit with friends.

Mr. and Mrs. W. W. Sanders will go to the home of their son-in-law and daughter, Mr. and Mrs. Floyd Anderson in Long Beach Wednesday to join in the birthday celebration for their granddaughter, little Dorothy Anderson.

Mr. and Mrs. L. O. McHenry and daughters, the Misses Ina and Elaine, of Wilmington, spent the week-end at Camp Baldy enjoying the snow sports. Returning home Sunday they stopped briefly at the home of Mr. McHenry's sister, Mrs. J. A. Burton.

To the many friends who were so kind with their sympathy and assistance during our bereavement in the loss of our loved one and for the many beautiful flowers, we express our sincere thanks.—Mrs. Rosaria Cutuli and Family, Mr. and Mrs. Frank Cutuli. 79-1x

Little Jimmy Snyder, son of Mr. and Mrs. Harold Snyder, is very ill of influenza. He has been sick several days and was thought to be doing very well, but his condition was not so satisfactory today. Mr. Snyder also has been ill but is able to be up for brief intervals.

Following an illness of several weeks, A. N. Monroe, of Third avenue, submitted to a major surgical operation this morning at the Pomona Valley hospital. Brief word from the hospital at noon stated Mr. Monroe was rallying satisfactorily from the operation but the nature and seriousness of his condition was not stated.

UPLAND CIRCLE TO HOLD UNIQUE EVENT

Neighbors of Woodcraft Will Observe Album Night Friday, Feb. 17

An interesting event, something unique in the history of the Neighbors of Woodcraft lodge, is being planned for the next meeting of Upland circle, which will be held on Friday, Feb. 17, it was announced by Guardian Neighbor Reuell Carlton following the regular meeting held Friday evening in the lodge room of the I. O. O. F. hall.

That meeting has been designated as "autograph album" night for the local circle and a detailed account of the proceedings of the evening will be entered in the album, a book that is touring every circle in the lodge throughout the country.

The autograph album was planned at the lodge headquarters in Portland, Ore., and was sent to Los Angeles where, early in January, it began the "grand tour" which will require two years to complete. When the entire circuit shall have been made, the book will contain the complete proceedings of one meeting for every circle in the national order.

For the special meeting in Upland, an initiation is being planned and the ritualistic work will be exemplified by the United Men's team of Southern California, which has headquarters in Los Angeles.

Visitors from all circles in the district are expected to attend the meeting.

Planning for this meeting consumed the greater part of the time during the lodge session Friday evening, when Mr. Carlton conducted the usual routine business.

At the close of the meeting refreshments were served and some time was spent in playing cards. The hostess committee included Mrs. O. B. Williams, Miss Frances Allison and Miss Italia Morgan.

Newspapers of Isle of Man Differ From Ours

John Boyd, whose beautiful and unique home in San Antonio Heights is a matter of pride to the Boyds and their neighbors and friends, has a very interesting newspaper from the Isle of Man. Naturally, this news sheet is as different in appearance from the papers to which we are accustomed as the Isle of Man differs in physical contour from San Bernardino county.

The advertisements, too, offer a broadside of quaint style and strange make-up, a very interesting example of how differently things are done in other places in the world.

John told the "Tale of the Taleless Cat," a bit of lore as to how the Isle of Man got its name.

It seems that in Ireland, Lough Neah is a lake of exact dimensions with the Isle of Man. An old woman was sitting outside her cottage communing with the family cat. Much to the lady's bewilderment the ground and cottage started suddenly to sink, and all the land in the vicinity. It continued to sink and at the same time there raised to view in the middle of the Irish Sea an island of the same shape and size as the lake that formed on the site of the cottage.

In her terror as the ground continued to sink, the old lady grasped the family cat by the tail and they tell us, and in fact can prove it to us by the cats themselves, that these same said cats of the Isle of Man have no tails.

Of course we have our bob cats in this country, but to them hangs no tale that carries such a convincing alibi as John Boyd presents in "The Tale of the Tailless Cat."

Aid Society Will Go to Riverside

Approximately 30 members of the Bethany Union Ladies Aid society are planning to motor to Riverside Friday for the annual meeting with Mrs. B. V. Cheek. The members will carry a well planned luncheon and a program will be given during the afternoon. There also will be a business meeting and plans will be made for the annual home coming and for a trip to the Sherman Institute in the near future.

Poultrymen To Hear Report on Brooding

Poultrymen of the Upland district will be interested in the meeting in the Ontario junior high school at 7:30 tonight, at which Dr. R. H. Schofield, Los Angeles county live stock department, will give a report on brooding investigations.

The meeting is sponsored by the local chapter of the Pomona-Ontario Poultrymen's Co-Operative association.

"Shall I tell you what you are?"
"If you do you will get a black eye."

Plans for Payment of W.C.T.U. Dues by March 1 Announced

Members of the Upland Woman's Christian Temperance Union are requested by the president, Mrs. Fred Hoppe, to take notice of the arrangements being made for the payment of the union dues for the coming year.

The W. C. T. U. president in each church and her assistant will receive the dues from all W. C. T U. members in her church and a receipt, signed by the treasurer and showing the dues paid up to March, 1934, will be given.

All members are requested to pay their dues by March 1.

Those authorized to receive the W. C. T. U. dues from members in the several churches are:

Presbyterian Church—Mrs. D. H. Ward, 351 East Foothill boulevard, assisted by Mrs. Wm. I. Doole, 336 First avenue.

Nazarene Church—Mrs. Eddie Clausen, 615 West Fourteenth street, assisted by Miss Ann Giesy, 745 Campus avenue.

Brethren in Christ Church—Mrs. Harvey Wenger, 481 First avenue.

Mennonite church—Mrs. A. J. Neuenschwander, 518 Eighth avenue.

Methodist Church—Mrs. Clara Patton, 351½ Laurel, assisted by Mrs. V. Wade Holden, 591 West Thirteenth street.

Study Circle Will Meet on Wednesday

Members of the Study Circle of the Eighteenth Street P.-T. A. are reminded of the change in the hour of meeting when the regular session is held Wednesday at the home of Mrs. John T. Boyd on Twenty-fifth street, the meeting opening at 10 a. m. in place of 11 o'clock. There will be the regular lesson and the usual order of procedure will be followed.

The reason for the change in time of meeting is to permit the newly organized mothersingers to go to the Fannie D. Noe school at 2 p. m. to join the mothers chorus of that P.-T. A. in an organization and practice hour.

Many Register for Church Leadership Training Courses

Increasing interest is being shown in the leadership training school to be conducted jointly by the Councils of Religious Education of Upland and Ontario and which will open at 7 o'clock Monday night, Feb. 13, in Bethel Congregational church, Ontario.

The Rev. A. J. Neuenschwander, dean of the school, stated Monday that registrations for the several courses to be offered have been very satisfactory to date and an increasing number of entrants is expected as the opening of the school draws near.

Because of arrangements made by the cooperating churches, no registration fee will be required of members of those churches entering the school.

However, any others wishing to attend the school, regardless of church membership, will be welcome and may register by paying a fee of 75 cents.

The books to be used in the class work will be ready by the opening night and may be secured at the church.

Klusman Will Begin Work Next Week on March Field Project

Work will be started probably next week under the direction of H. G. Klusman in the construction of a laundry and bakery at March field, the Cucamongan getting the contract for $53,697. As the work must be finished by June 1 and as each workman can be employed only 30 hours a week, considerable activity on the part of many persons will be required.

While the contract sum also includes purchase price of machinery, the Klusman cement plant at Cucamonga will be the scene of much action.

Go window shopping in your easy chair. Read the advertisements.

Program on Child Welfare Planned

A special program including talks on several of the vast number of important and interesting phases of child welfare, national, state and local, will be presented during the meeting of the Woman's Home Missionary society at the Methodist church, to be held at 1:30 Thursday afternoon.

Mrs. J. H. Freeman is making arrangements for the program and those taking part will be Mrs. W. F. Goodban, Dr. Lillian F. Baxter, Mrs. Irvin A. Engle, Robert Sloane, Jr., Miss Ruth Randall and Miss Lottie Fuller, all of whom will speak on some phase of child welfare, and Clara Rhinecker, a school girl, who will give a recitation.

Everyone who is interested in this subject is invited to be present.

The News job department is prepared to take care of your printing needs.

CHAFFEY TEAMS IN LINE FOR TITLES

Tigers Trim Covina and Panthers Take Pomona—Two Crucial Games Ahead

With Chaffey high school five still leading the Citrus Belt league and with the Chaffey jaysee quintet still in the running for the title, interest is being centered on this week's games, the Tigers playing Riverside here Friday afternoon and the Panthers traveling to San Bernardino Saturday night.

The Chaffey teams successfully handled the competition last week, the prep's drubbing Covina 42 to 18 and the Panthers letting Pomona down with a 35 to 22 defeat. Both games were played on the opponents' home courts.

Will the Karl Kaiser coached team win its fifth consecutive league title is the question likely to be answered during the next two weeks.

Will the Panthers take another league title this year is a question that will undoubtedly be decided Feb. 18. Riverside jaysee is leading the contest and that team plays at Chaffey next week.

As had been expected, the Chaffey teams had little trouble in winning from Pomona and from Covina. Both teams are on the bottom of their respective leagues. Kaiser sent 12 men into the game, with Nichols accounting for 8 marks and Johnny Meek 1. Currie was high pointer with 13 digits.

Eldon Naftel and Frances Wilson, Upland representatives on the Panther squad, handled themselves in commendable fashion, with Wilson going in as Doll went out on personal fouls, and with Naftel being relieved part time of his regular guard duties.

Keough and Reynolds were paired for a time as a new combination at forward.

In the game between the sophomores, Chaffey won over Covina, 36 to 8. William Walk of Upland is one of the mainstays for the Tigerettes, playing a steady game at center. Cy Gunstream, Uplander, and former Chaffey star, is the sophomore coach.

Annual Founder's Day Program Will Be Held by P.-T. A.

Annual Founder's Day, one of the important events of the year in P.-T. A. circles, will be observed by the Fannie D. Noe Parent-Teacher association Wednesday, when a special program is presented, Mrs. Harold J. Stickney being in charge.

The feature of the program will be a talk by Harold W. Cook, superintendent of Upland schools, who will discuss certain state legislation as it affects the local schools. At the present time this question is of much importance to all school patrons and tax payers and much interest is being centered in Mr. Cook's address. There also will be special music as a part of the program.

Mrs. Stanley G. Marshall, president of the association, announces there will be several important matters to be considered during the business session.

Mrs. J. Lynward Grahame, in charge of the mothers chorus, requests that all mothers who can sing meet in the kindergarten room at 2 p. m., preceding the P.-T. A. meeting, and participate in the organization of the chorus and the practice that will follow.

At the conclusion of the P.-T. A. meeting a sale of pies and cakes will be held.

All-Day Sessions To Be Held on Thursday by Methodist Women

Interesting programs and business sessions are being planned for the all-day meetings to be held Thursday by the three women's societies of the Methodist church.

Mrs. W. F. Kitchel will be in charge of the lesson when the Woman's Foreign Missionary society meeting is held from 10 to 11 a. m. A chapter in the study book on China, "Lady Fourth Daughter," will be discussed and Mrs. Chaplin of Claremont, who has spent several years teaching in schools in China, will tell of the work there.

Mrs. F. C. Buffington, the president, will conduct the meeting.

The Ladies Aid society, Mrs. L. E. Moser president, will be in business session from 11 o'clock to 12 noon, a contributed dish luncheon following at the noon hour. All women of the church are considered members of the Aid society, regardless of their membership in any other department, and the meetings are open to all who will attend.

A child-welfare program to be presented by Mrs. J. H. Freeman, will be the feature of the afternoon meeting of the Woman's Home Missionary society, of which Mrs. Irvin A. Engle is president.

ALTA LOMA-CUCAMONGA

Woman's Club To Meet

When members of the Cucamonga-Alta Loma Woman's club meet Thursday afternoon at the home of Mrs. W. B. Harvey, 254 West San Bernardino road, they will hear, as the feature of the program, a talk on Turkey by Miss Clara Bissell of the Chaffey faculty. Miss Bissell has spent several years in Turkey doing Y. W. C. A. work, and she has many interesting experiences to relate.

Miss Bissell's classroom work will prevent her appearing before 3:30 and while awaiting her coming, Mrs. E. S. Bishop, club president, will conduct the business meeting and a round-table current events discussion will be participated in by all of the members.

The usual tea hour will close the meeting. Mrs. L. J. Thomas will be co-hostess with Mrs. Harvey.

Upland Quartet Sings

The men's quartet of the First Methodist church in Upland held a most enjoyable song service Sunday night at the Cucamonga Community church. Accompanied at the piano by Mrs. W. M. Dundas of Upland, the singers presented a full evening's program of beautiful sacred songs and the pastor of the church, the Rev. J. W. Grande, made a short talk. The quartet included Messrs. Ralph Marr, W. W. Horak, E. H. Genung and Bert Hendy, and their coming to the church was deeply appreciated by the audience and their singing was greatly enjoyed.

Missionary Society To Meet

An all-day meeting of the Woman's Missionary society of the Cucamonga Community church will be held Wednesday at the home of Mrs. J. G. Stoebe, 1393 Hermosa avenue, Mrs. Lewis being co-hostess. A new luncheon plan is being tried and the two hostesses will serve the luncheon with the other members paying a certain sum. The usual mission lesson will be studied and welfare sewing will be done.

George S. Foster of Alta Loma is among the 30 citizens named on the 1933 grand jury panel from which 19 will be drawn to serve as grand jurors during the year, according to an announcement made Saturday in San Bernardino.

Mrs. Katherine Murray, principal of the South Cucamonga school, was one of the speakers at a meeting held Saturday in the San Bernardino Valley junior college for the purpose of organizing the San Bernardino County Elementary School Principals association. Burton Thrall of the Piedmont school, Guasti, was elected president; George N. Hale of Bloomington, secretary, and Mrs. Gertrude Staley of Colton, vice-president. The meeting was attended by 50 principals of the county.

Three members of the Harry Wright family are recuperating from attacks of influenza that kept them confined to their beds for a number of days. Mr. Wright is able to be out again and Mrs. Wright and the daughter, Velma, were up Saturday for the first time, but are not yet strong enough to be out.

Mrs. A. K. Toews spent the past week in Los Angeles with her mother, Mrs. Katharine Isaacs, a former resident of this community, who has been seriously ill. An attack of influenza developed into double pneumonia and for a time Mrs. Isaacs' recovery was not expected. However, she is now improved sufficiently to be up part of the time.

Friends of Mr. and Mrs. Theo Maurer (Irene Toews) of Los Angeles, will be interested in a letter received by Mrs. A. K. Toews from Mrs. Maurer, who was recently called to Chicago to care for her husband's brother, Nathaniel Maurer, who was stricken with spinal meningitis. Mrs. Maurer, who is a nurse in the Good Samaritan hospital in Los Angeles, reports her brother-in-law is improving and his full recovery is expected. She will remain in Chicago for some time yet.

ETIWANDA

ETIWANDA, Feb. 7.—The Etiwanda Ladies Aid society accepted an invitation to attend the monthly meeting of the Ladies Aid of the First Congregational church in San Bernardino last Thursday. A short business session was held at our own church at 10 o'clock and the ladies then motored to town to be there for luncheon at 12:30. A group of 30 local people attended and were royally entertained by the hostess group. A splendid program was given in the afternoon by the various circles of the San Bernardino society. We hope to have the pleasure of entertaining them in return soon.

Lincoln's birthday will be celebrated in the local church next Sunday. Our pastor, Rev. J. H. Mallows, will give a Lincoln day address and suitable music will be given.

Mr. and Mrs. Geo. R. Hippard have moved from Los Angeles to their ranch here for a time. Mr. and Mrs. John Lewis and son Jim will remain in the home with them.

Mr. and Mrs. Henry Avery of Long Beach were guests of Mrs. Rena B. Francis Sunday afternoon.

Dr. and Mrs. J. B. Dooley of Compton and the latter's sister, Miss Rowland, of Pomona, were callers at the Judge Donnelly home Sunday afternoon.

Mr. and Mrs. J. C. Thompson of Upland were dinner guests of A. A. Werner and family Sunday.

The regular meeting of the Etiwanda P.-T. A. will be held in the school house Wednesday afternoon, Feb. 15, when Founder's day will be fittingly celebrated. Mrs. Thos. Donnelly, program chairman, is preparing a splendid program, which includes a playlet, the candle lighting service, etc. Refreshments will be served following the program. All are cordially invited to attend and each is asked to bring 5 cents for the Founder's day offering. This money is all used for P.-T. A. extension work.

Mr. and Mrs. H. A. Allen had as guests last Wednesday C. V. Cadwallader, Mr. and Mrs. Cadwaller of East Highland. Dr. Platt of Claremont was a guest of John Spillman at the Allen home that evening and they had as Sunday guests Mr. and Mrs. E. Z. Easley of San Bernardino, who spent the day, and Mr. Allen's brother and wife, Mr. and Mrs. E. S. Allen of Cucamonga, who were evening guests at a turkey dinner in honor of E. S. Allen's birthday.

College Heights

COLLEGE HEIGHTS, Feb. 7—Mr. and Mrs J. O. Reynolds were host and hostess at a bridge dinner given last Saturday evening. The guests were Dr. and Mrs. Sherman of Hollywood, Mr. and Mrs. G. F. Doderer, Mr. and Mrs. Harold Graham and Mr. and Mrs. Jack Reynolds of Pomona.

Mr. and Mrs. Sam Barker and son, Jimmie, motored to Santa Ana Sunday to visit Mr. Barker's parents, Mr. and Mrs. W. D. Barker.

Mr. and Mrs. C. L. Hancock and daughter, Betty, and Carol and Barbara Morse were visitors at Camp Baldy Sunday.

Mr. and Mrs. F. C. Davis and sons motored to San Bernardino Sunday afternoon for a visit to Mrs. Davis' parents, Mr. and Mrs. T. J. McManis.

Mrs. D. Graham of Thermal has been a guest at the home of her sister, Mrs. W. M. Morton, of Tenth street the last few days.

Harold Starr, who was seriously injured in an automobile accident, is now improving and was reported as having been moved to the home of a friend in Pomona yesterday from the Pomona Valley hospital, where he had been taken after the accident.

Mr. and Mrs. Otto Pautz motored to San Bernardino Sunday afternoon and were guests at the home of Mr. and Mrs. Lester Michael.

Feb. 14 New Date for Getting 1933 License

Feb. 14 is today the deadline for applying for 1933 automobile licenses.

Final date for applying was advanced to Feb. 14 from Feb. 3 and this change gives time for persons in this district to get their new plates without paying the penalty for late application. If application is made direct by mail to the Sacramento division of motor vehicles or at any of the county locations issuing the plates before Feb. 14, the fee will be still $3, instead of double this amount as was previously planned.
